Congratulations! A preliminary analysis of your test results shows that you were successful in achieving the passing score established by the SOA/CAS/CIA for Exam FM/2 (Financial Mathematics). Your examination responses will be verified by the SOA/CAS/CIA and your official score report will be available in the SOA online transcript facility approximately eight weeks after the exam administration.

If you have any questions, please send your inquiry to SOA Customer Center at customerservice@soa.org or call 888.697.3900 (U.S. telephone number).
